

Soft Lying Hyperbaric Chamber **OLV-RT01**

OLV-RT01

PORTABLE AND FOLDABLE

Portable type
can be folded up
moved easily

WIRELESS REMOTE CONTROL

Wire-less Remote
control, can be operat-
ed by one person

2 IN 1 TECHNOLOGY

Oxygen concentrator
and air compressor
integrated

- ▶ Portable type, can be folded up, moved easily
- ▶ Oxygen concentrator and air compressor integrated
- ▶ Two modes: HBOT mode & oxygen mode; Real-time display of oxygen chamber pressure and oxygen concentration
- ▶ 45cm large transparent viewing window for peaceful environment
- ▶ High-frequency welding process, durable and non-falling, non-toxic and non-polluting
- ▶ Wire-less Remote control, can be operated by one person

TECHNICAL SPECIFICATIONS

Chamber		Oxygen Concentrator	
Pressure	1.3ATA(4.5PSI) or 1.5ATA (7.2PSI)	Flow Rate	Oxygen Flow:5L/min Air Flow:60L/MIN
Material	5 Class TPU	Voltage	AC 220V 50HZ AC 110V 60HZ
Size(cm)	80 x L200 cm(32"*79") 85 x L210 cm(34"*83") 90 x L220 cm(36"*87")	Size(cm)	35x25x67 cm
O ₂ Purity	Less than 30%	O ₂ Purity	93% ± 3%
Windows	Overhead 45cm * 19cm Both sides 15cm	Wire-less Remote Control	Within 3 Meters
Chamber color	White or Blue	Two Mode	HBOT mode and oxygen mode
Standard accessories	1 x Manual pressure relief valves 3 x Oxygen / Air inlet valve 1 x Internal Pressure gauge 1 x Sponge Silencer	2 x Automatic pressure relief valves 2 x 2M Air columns 1 x External Pressure gauge 1 x User Manual	
Optional	Cover (6 Colors available) Internal Frame or External Frame	Air Cooler Mattresses and Pillows
